Isn't it rather confusing to tell people to contact the EPA and MDEQ representatives with comments and then say there is an email where CFAC is refusing comments?

CFAC provided an email address where they will be accepting comments on the report after I sent the initial email. Please use this revision instead.

Here is the language Mike and I agreed to include in the TOPICS IN FOCUS Section

CFAC's draft Phase 1 Data Summary Report can be accessed at www.rouxinc.com/cfac-phase-I-site-characterization-data-summary-report. EPA is sharing this link for those who are interested in the information received to date. Please note this is in draft form while the EPA and Montana DEQ review this document. If you have any comments please contact EPA or Montana DEQ representatives listed on this webpage. The email address where CFAC is receiving comments is: CFAC-Comments@rouxinc.com
